

## FIRST SEMESTER PROJECTS AND HOMEWORK FOR SBS CLASS.

Home Project #1: Due October 4<sup>th</sup>.

### The Creation Story in Pictures: Genesis 1:1

Instructions:

Take the 8 ½ x 11 blank piece of paper.

Divide the paper in 8 equal parts. You may divide the paper into circles, rectangles, triangles or squares as long as they are all equal in size. See some samples below. Number the areas from 1 to 8 and follow the instructions below. Children should be able to re-tell the story of the Creation looking at the pictures.

In the first space write:	“The Creation Story” Genesis 1:1
Second space	Split the space in two: Color one in a dark color Color the other in a light color
Third space	Split the space in two: Bottom space, color it blue (like water) Top space; make a sky with clouds but no sun.
Fourth space	Draw and color an island in a middle of the ocean.
Fifth space	Draw and color the sun, the moon and the stars.
Sixth space	Split the area in two, color the top light yellow the bottom blue. Find pictures of fish and other water animals and birds and glue the fish and water animals on the blue section and the birds on the yellow section.
Seventh space	Split the area in two, one larger than the other, color the top area light yellow and the bottom green. Find pictures of land animals and glue them on the green area.
Eighth space	Make a nice picture with green trees, birds, flowers, etc.
